Family camp is a holiday with a difference. It provides: Christian activities, free time and good food. Young and old, single or married are welcome.

The camp programme includes Family time each morning which we would encourage everyone to come along to. There are separate activities for the children with special children's workers. There are organised activities each evening.

On Sunday there are activities organised throughout the day. During the daytime Monday to Friday, there will be free time to explore places in the area or enjoy the facilities of the site, including the beach. Also there are lots of sports activities and competitions.

We provide breakfast and cooked evening meals prepared by our team of cooks.

You will be responsible for midday meals, although there will be bread and spreads available to make your own sandwiches.

Bookings will be confirmed mid February when you will receive a confirmation letter of your booking.

You will then receive a letter in May from your camp leaders giving more details of your week at camp. Also with this letter will be a reminder of the balance of your fees to be paid.
